REFUND POLICY

A full refund will be given under the following circumstances: class is cancelled due to low enrollment, a medical problem arises and a physician's letter accompanies the request, or a class is fully enrolled and there is no room for you.

You may be given a refund for other circumstances but there will be a \$25.00 administrative fee charged for each refund you request and it will take four to six weeks to process. Please make sure that you are able to participate before you register.

INCLEMENT WEATHER POLICY

Since inclement weather is not that far in the future please read the policy and save it. If Cambridge Public Schools are closed Recreation Programs are automatically closed. If a storm begins after school has opened a decision about evening programs will be made by 4:00 p.m. If classes are cancelled they will be made up. If a storm affects Saturday classes and programs a decision is made by 7:00 a.m. Saturday classes will be extended one week. You will not be called so it is important to pay attention to this material. If a storm affects Sunday programming a decision will be made by 9:00 a.m. Information about closures due to weather will be on Storm Force on Channel Seven, or voice mail at 617 349-6279 or 617 349-6237.

SWIM LESSON CHANGES

The American Red Cross introduced a new Learn to Swim program last year. Cambridge Recreation has changed to the new program. Please read the new class descriptions carefully as your child may need to move back a level in order to learn new skills that have been introduced into former levels. It is important that your child learns the correct skills for the new levels so they can move forward. Thanks for your cooperation during the transition.

Children's Swimming

At the War Memorial

The American Red Cross has launched a new swim program which is being introduced by the Recreation Department. Class descriptions have changed and Level VII has been eliminated. Your child may be required to move back a level if they are missing any of the listed skills. The skills listed for each level are directly from Red Cross materials. Level III and IV have become more demanding. Please do not expect your child to move to the next level in one session. This is highly unlikely.

Final decisions concerning student placement are made by the manager. Please refer all your questions concerning group and level placement to this staff member. Instructors are not part of this process, so please raise only progress concerns with them and not placement concerns. Thank you for your cooperation in this matter. Parents are required to sit in the balcony during lessons.

Why Aquatic Exercise?

- Whether you are new to exercise, or maximally fit, aquatic exercise is an excellent and diverse form of fitness training. This exercise form utilizes the resistant property of water to yield a challenging workout, with minimal impact on the joints.

- Classes are geared toward a range of ages and conditioning levels, in order to address individual fitness goals. Aquatic exercise is safe, fun, and effective! Use of buoyant equipment increases cardio-respiratory fitness, as well as muscular strength, toning, and flexibility.

- Classes are conducted in either a 4-foot deep pool (about chest deep or less) and/or the deep pool, using flotation belts. Aqua shoes are required. Dumbbells, ankle weights, flotation belts, and steps are provided. If you have not considered aquatic exercise please give us a try.

- Our instructors are certified by the Aquatic Exercise Association. Lifeguards are present during the class.

“The atmosphere is wonderful and the staff is so helpful. Working out a pleasure.”

How to Have a Happy Birthday

Throw your party at the War Memorial Pool

But hurry, space is limited and arrangements must be made in advance. Dates must fall on a Friday, Saturday or Sunday. Only one party per day please.

The fee is \$1.50 per person and is payable upon arrival. The Cambridge Recreation department reserves the right to cancel any party due to mechanical failure or inclement weather.

Pool-only parties are available on Fridays from Decembereg-March 5. There is no classroom available.

Since the classroom used for the birthday parties is now on the second floor, it is necessary for the children to be dressed and finished with their pool activities before going to the second floor classroom.)

Parent Letter

Dear Parent,

I am pleased to welcome your child into the program. In order that the programs operate smoothly and all the children have a good and safe experience, there are rules in place to guide behavior. Your cooperation will be both expected and appreciated. The War Memorial is a very large building located on a very busy street, therefore children under the age of eight need to be accompanied by an adult. All class participants are required to sign in at the front desk and check in at the pool and gym (parents of young children may do the signing and checking in and siblings can come). Non-registered children and parents are not allowed access to these facilities. Please do not ask to speak to instructors, as they are not authorized to allow your child into a class after registration is complete. Check the registration information in the back of the brochure and you will find the final date for registration in children's classes listed. The only exception to that date will be people who are wait listed and notified at the last minute that a space is available.

Swim Rules

Parents are required to be in the pool during toddler/pre-school instruction. There must be one adult per child in this class. Parents of children in pre-school referral through level six must sit in the balcony not on the deck. Please prepare your child in advance for this so your child has realistic expectations. Children who are not toilet trained must wear a swim diaper in order to prevent defecation in the pool. If this happens the pool has to be closed for twenty-four hours to superchlorinate and allow for sufficient filtration, so the water quality is returned to an acceptable level. Please change your child in the locker room and not on the pool deck. Only participants are allowed in the pool during lessons. When a student's lesson is over, they need to leave the water. Please do not interrupt instructors while they are teaching. If you have comments or concerns about instruction or need information from the teacher please address your questions to the swim school manager. All children will be screened for placement at their first class. The swim school manager and the staff assigned will make the determination as to appropriate level and group. Please do not request that your child be placed in an inappropriate level, as it is unsafe as well as non-beneficial. If you can not place your child in the correct level due to scheduling conflicts, it would make sense not to register them and wait for a more appropriate time.

Gym Rules

Parents not required to participate in class need to sit in the bleachers along with siblings. No children or parents not participating are to be on the gym floor as this causes a distraction as well as safety hazard. Let me suggest that if it is difficult to keep a sibling busy, you use the tot lot in good weather. No one, including class participants, is to use any gymnastics equipment without the permission of the instructors. Please take into account the significant risk involved when you do not cooperate. Please do not ask instructors to allow non-registered siblings into classes. No basketball playing, tennis practice or other type of activity is allowed in the field house or any other part of the building during classes. Please respect all the children's and teachers right to undisturbed instruction. No student is to remain for more classes than they have registered for. If you have questions please speak to the gym manager.

If you have questions or concern please call me, I will be happy to speak to you.
I can be reached at 349-6237.

Sincerely,

Donna M. Cameron, Recreation Activities Manager

Recreation Department Rules

1) In order to receive the resident rate for classes or pool and weight room proof of residence is required. Acceptable proof is drivers license or Mass ID, Utility Bill, or a rent receipt.

2) All patrons are required to sign-in at the Desk before proceeding to classes or activities. If you fail to do so you will be sent back immediately. Please be prepared to show your pass.

3) Please use the Main Cambridge Street entrance to enter and leave the facility. All other doors are emergency exits only and if they are opened, it is impossible to control who enters the facility.

4) Please do not bring valuables to the facility as the City of Cambridge can not accept responsibility for patron's possessions, so please do not ask to leave valuables in the Office or at the Front Desk. It is also important that you bring a lock for your locker each time you use the facility.

5) If your class is cancelled due to the weather or teacher absence it will be made up. Every effort will be made to hold the make-up on your regular class meeting day and to give you as much notice as possible

6) All patrons of the War Memorial are expected to follow the rules when using the facility. Inappropriate behavior or offensive language will not be tolerated and will result in the suspension of facility privileges. Please remember you are a guest at the War Memorial.

7) The Recreation Division reserves the right to make changes in the schedule by either adding or deleting programs. This will be done to meet new program needs and at the discretion of the Recreation Activities Manager.

8) If the Cambridge Public Schools are closed due to inclement weather, all War Memorial Programs are cancelled. If a storm begins during the day or affects weekend programs, cancellations will be on WRKO Radio and

channel 7 Storm Force. There will also be a message on 349-6279 and 349-6237.

9) The City of Cambridge, Recreation Division, does not discriminate on the basis of disability. The War Memorial will provide auxiliary aids and services, written materials in alternative formats, and reasonable modifications in policies and procedures to persons with disabilities upon request.

10) No one is allowed to use the War Memorial facility to teach private lessons and earn money doing so. All instruction provided here is through the Recreation Department

Children:

1) No males over the age of 5 are allowed into the women's locker room, and likewise, females over the age of 5 are not allowed in the men's locker room.

2) Children under 12 will not be admitted into family swim if not accompanied by an adult. Children 13 and older will be allowed in without a parent. Failure to behave will require that a parent be there for future visits.

3) Adult lap swim is for adults 18 and older. Children can only use the lap pool for lap swimming during family swim hours.

4) Children 8 and under must be accompanied in the pool by an adult unless the child is a competent swimmer. This will be evaluated by the pool staff.

5) Children not toilet trained must wear rubber pants and diapers.

6) Please do not leave children in strollers unattended.

7) The only floatation devices allowed in the pool are US Coast Guard approved life jackets in aiding your child to swim. If your child wears a life jacket you must accompany them in the pool. Bubbles, water wings/swimmies, and water tubes are not allowed.

To Our Pool Patrons:

All participants would like to benefit equally from using the pool for workouts. For this to occur in a productive way, all patrons need to behave in a considerate and cooperative manner towards each other. To help facilitate this as well as create a safe and more pleasant environment, some simple rules and premises are being established.

1) Speed of a lane is based on the fastest swimmer as well as the decision of management staff. If you are being lapped, you will be asked to move to a slower lane.

2) Kickboards and pull buoys may be used in any lane as long as you can keep up with the speed of the lane. Otherwise, you will be asked to move into a slower lane.

3) Circle swimming only, lanes may not be split. Swimmers should swim counter-clockwise regardless of how many people are in a lane.

4) Pool entry should be by pool ladders or by sliding in. Please do not jump or dive off ends as the pool is too shallow, and you may injure yourself as well as an on-coming swimmer.

5) Lifeguards and managers have the final say, and may revoke your swimming privileges if you fail to follow their directions.

6) If you are unsure of which lane is appropriate for you, please ask a guard for help.

7) If a guard requests that you switch lanes, please do not respond that you "have been swimming in that lane for years;" that is not relevant. The swimmer's speed is the measure of who belongs in a lane, and that varies on every visit.

8) Recreation patrons are not allowed off the diving blocks.

Thank you for your cooperation.

War Memorial Rules

The following rules and regulation are required for the safety of all participants at the War Memorial Facility

Pool Rules:

- 1) Patrons are not to enter the pool area if a lifeguard is not present.
- 2) Running, pushing, or rough play is not allowed.
- 3) Lanes may be pulled for programs at the discretion of the Recreation Division.
- 4) Please stay off lane lines.
- 5) Do not engage guards in unnecessary conversation while they are on duty.
- 6) Patrons are requested to observe all the rules and follow the instructions of the staff on duty.

Diving Rules:

- 1) Diving is only permitted in the diving pool.
- 2) **All children will be tested.** A child must swim 25 yards nonstop using only breaststroke or front crawl. This must be done to the satisfaction of the guard on duty.
- 3) All divers must surface immediately after their dive and swim over to the far ladder.
- 4) Only one person at a time on the diving board.
- 5) No one may catch another swimmer who is going off the diving board, regardless of age.
- 6) The diving tank is not for lap swimming.
- 7) The diving tank is not available at all times, so please check with the desk staff before purchasing a ticket.

Pool Etiquette:

- 1) All patrons are to shower before entering the pool per order of the Health Department.
- 2) Patrons are required to return all equipment to its proper location.
- 3) Lanes are marked for speed; therefore, patrons are to choose the lane appropriate for their ability, fast lanes are for high performance swimmers. Patrons requested by staff to change lanes need to do so immediately.
- 4) No glass containers are to be brought into the locker rooms or pool area.
- 5) All patrons need to leave the pool and locker room on time: Please be considerate of the staff as well as our commitment to the school department to live with our schedule.
